

## VISIONARY LEADERSHIP

These are exciting times for organizations globally, there are great opportunities that abound as we look at our globalized world. These are also very challenging times filled with volatility, uncertainty, complexity and ambiguity (VUCA).

Organizations require great leadership to address such challenges, we need leaders who have vision, understanding, clarity and agility to face off the VUCA that are bound in our world today.

**In this certificate you will need to complete the following five modules and in-class session:**

- Understanding VUCA and VUCA Prime – Dr. Rob Elkington (Canada)
- Leadership Resilience in a VUCA World – Dr. Jennifer Moss Breen (USA)
- Innovation in a VUCA World – Dr. Bettina von Stam (UK)
- Change Management in a VUCA World – Dr. Noel Pearse (South Africa)
- Strategic Systems Coaching for Leaders in VUCA – Madeleine van der Steege (Netherlands)
- ALL DAY IN PERSON SESSION – Tying it all Together and Leading Well in VUCA – Dr. Rob Elkington

### Hybrid Program Design:

#### Part One: Online Learning

Participants will begin the online learning during the one-month prior to attending the in-class session. During this time you will:

- Access to a rich multi-media library
- Actively participate in the threaded discussions
- Complete assigned reading to support the threaded learning and discussion.

#### Part Two: In-class Learning

The course culminates in a one-day workshop in which the participants reinforce the online learning through case studies and application.
