SOFTWARE USE AGREEMENT

1. OVERVIEW

Students participating in the Bring-Your-Own-Device (BYOD) Program at the University of Ontario Institute of Technology (“Ontario Tech” or “University”) are authorized to download third party software programs and applications (“Software”) from the Ontario Tech portal (“Ontario Tech Portal”) onto personally-owned computing devices (“Personal Device”) and use such Software for academic and educational purposes.

Use of Software is **a privilege, not a right** that is subject to and expressly conditioned upon acceptance, without modification of this Software Use Agreement (“Agreement”), as may be amended from time to time by the University.

This Agreement is between you (“User”) and the University. By clicking “I agree” below, you acknowledge that as the User you have read, understood and agree to be bound by the terms and conditions contained in this Agreement.

2. OWNERSHIP

2.1 Ownership. Software is not the property of the University or the User. All Software is owned by a third party provider (“Licensor”) and licensed to the University subject to terms and conditions. The Software, in whole and in part, all copies thereof, and all modifications, enhancements, and derivatives thereto, are and will remain the sole and exclusive property of the Licensor. All proprietary rights in and to the Software, including patents, copyrights or any other intellectual property rights shall remain with the Licensor, or respective owner.

3. ACCEPTABLE USE OF SOFTWARE

3.1 License. Subject to the conditions of this Agreement and any applicable third party agreement, Ontario Tech grants to User a non-exclusive, non-transferrable right and license to download authorized Software from the Ontario Tech Portal and to use the Software for academic purposes.

3.2 Term. The Agreement is effective as of the date the User accepts the terms and conditions set out herein (i.e. clicks “I agree”) and will continue in full force and effect as long as the User is enrolled as a full-time or part-time student at Ontario Tech, unless terminated earlier by the University.

3.3 Termination. Upon graduation or the discontinuation of the User’s studies for any reason (i.e. transfer, dismissal) all rights under this Agreement will automatically terminate and the User shall promptly cease the access and use of any Software licensed to it vis-a-vis the University, including all software programs and applications which exist on any Personal Device(s).

3.4 Permitted Use. User acknowledges and agrees that any software program or application licensed for use under this Agreement may only be downloaded once onto a single Personal Device at the direction of a faculty member and/or course instructor and shall only be used for authorized academic purposes.

3.5 Third Party Agreements. User shall be familiar with and strictly adhere to the terms and conditions set out in any third party agreement governing the use of the Software, including but not limited to license agreements, end-user agreements and terms of use.

3.6 Ethical Standards. User agrees to exercise its rights under this Agreement in a lawful manner and in accordance with the highest ethical standards appropriate for an institution of higher learning.
