PART 1. STUDENT INFORMATION

Student Name: ________________________________________________________________

Date of Birth: ________ / ________ / ________

Student #: ________________________________

PART 2. DOCUMENTATION OF DISABILITY

A. To be completed by the registered Psychiatrist, Psychologist, or a treating Family Physician. At the discretion of SAS, documentation from a General Practitioner is accepted for the purpose of establishing temporary/interim disability services and accommodations, especially if a diagnosis is being explored or assessed. All sections of the form must be completed carefully and objectively to ensure accurate assessment of the student’s disability-related needs.

B. Careful consideration should be given to the statement of disability and degree of impairment.

Disability is defined as a functional limitation or impairment that is related to a student’s ability to perform the daily activities necessary to participate in post-secondary studies. The degree of disability can range from mild to moderate, severe, or profound.

Does this student have a disability according to the above definition?

☐ Yes    ☐ No

Statement of Disability (Prognosis):

Please select ONE of the following statements that apply to the student in the current academic setting:

☐ Permanent – Chronic (ongoing symptoms for the duration of natural life)
☐ Permanent – Acute (recurring episodes with relatively symptom free period of remission)
☐ Temporary – Chronic (ongoing symptoms)
☐ Temporary – Acute (episodic symptoms)

The following criteria must be met for determination of permanent disability:

- Functional limitation due to a medical condition
- Functional limitation that restricts ability to perform daily activities necessary to participate in post-secondary studies
- Functional limitation that is expected to be life long

For OSAP purposes, a permanent disability is defined as a functional limitation caused by a physical or mental impairment that restricts a student’s ability to perform the daily activities necessary to participate in studies at the postsecondary level or labour force. It is expected that the condition will remain with them and need to be managed over the course of their life.

It is anticipated that the student will experience functional limitations affecting their ability to participate in postsecondary studies with duration from

_______ / ________ to ________ / ________

Month Year Month Year

(or ☐ unknown duration)

OR Disability status must be reassessed every_____ (months or years) due to the episodic nature of illness.
Degree of Impairment is: □ Mild □ Moderate □ Severe/Profound

DETAILED EVALUATION

1. Specific Diagnosis: ____________________________________________________________

2. Age of Diagnosis: ____________________________________________________________

3. Cause of impairment: _________________________________________________________

4. Hearing Loss (best corrected) _____ Left Ear _____ Right Ear _____ Bilateral

5. Is this student a regular patient of yours? □ Yes □ No

6. While this student is enrolled at the University, will you be monitoring him/her on a regular basis?
   _____ Yes, every: ________________________________________________________________
   _____ No, this student will be followed by: __________________________________________

7. Describe the functional limitations associated with this impairment, and how they impact on activities of daily living including academic life and work.
   ____________________________________________________________________________
   ____________________________________________________________________________
   ____________________________________________________________________________

8. Does the student require specialized devices (e.g. FM system, hearing aid/s etc.) in order to participate in postsecondary education? Please specify:
   ____________________________________________________________________________
   ____________________________________________________________________________
   ____________________________________________________________________________

9. What specific academic accommodations do you recommend?
   ____________________________________________________________________________
   ____________________________________________________________________________
   ____________________________________________________________________________
10. Please provide additional information that may assist us in determining appropriate disability services.
