

## PROFESSIONAL MANAGEMENT CERTIFICATE PROGRAM

This 5-day Certificate program is our premier program and has consistently been reviewed as the perfect fit for participants who wish to enhance their managerial effectiveness.

Each instructor is an experienced professional who provides a solid foundation of business skills and practices for supervisors, managers, and technical professionals. Participants identify and practice functional management and leadership skills which have been designed to meet a variety of challenges by using real business cases.

Experiential learning takes place in an environment that encourages networking and sharing with similar business professionals. Participants may complete the program in either semester and will receive a university certificate upon completion of all 5 courses.
