

Form #1 - Establishment of Supervisory Committee

A supervisory committee for a graduate student in a program requiring a thesis consists of the candidate's research supervisor(s) and at least one other University of Ontario Institute of Technology graduate faculty member (master's level student) or two other graduate faculty members (PhD candidate). The committee's chair may be someone other than the student's research supervisor. See section in the [Graduate Academic Calendar](#). This form is normally completed no later than the end of the student's second semester.
